*"I've enjoyed listening to your music in preparation for mastering your CD. In my 11 years of mastering I'd say in this music format, you are among the top 3 I've heard because of your playing ability, compositions, tonal quality and basic good feel. I think contemporary jazz is ready for a new artist." John Vestman, Vestman Mastering*

*"Mike is one of the greatest horn players I've heard." Ike Turner, Ike Turner Revue*

*"Art is meant to stir emotions. Michael's art does just that. Its blend of smooth moments coupled with movements that make you want to dance and make listening a treat. The added plus of watching him perform blends his talent with his obvious feeling for music." Jack Terranova*

*"Michael Hershman is a remarkable talent! He can repeatedly achieve whatever musical goals that may lie ahead, again and again....indefinitely. It is hard to imagine anyone in the "industry" with a lick of sense passing on the opportunity to mine the gold lying there in wait." Doug Mackey, Music Editor Tacoma Weekly*

*"The music was perfect" - Joan Rivers*

*"Michael Hershman is the best saxophone player that I've ever heard and I love his CD." Stephan Wonn, ESPN Coordinator*

*"Michael is a fabulous saxophonist and a great composer. His appeal to the audience is astounding." Armen Rominov, Tour Manager Sea of Japan Tour*
